The Yellow Group

Ms Susannah
Ms Elvie - Ms Uyen

Nurse Karen from Family Medical Practice taught us about washing our hands and eating healthy.

Sharing and Caring

This term we are focusing on sharing and caring for our friends, family and people that help us. We made flowers for the kitchen staff, thank you cards for the guards, our drivers and nannies, and gave stickers to our friends in the Green group. We are going to continue to explore this subject throughout the year. Everyone had a great time making gifts. We also discussed fire, fire fighters and fire safety. We even did an experiment on how to safely put out fires with our teachers or family. Recently, we celebrated Valentine's Day and learned how to say "I love you."

News

This term we have two new friends in the Yellow group: Lea and Talin. We are thrilled to welcome them to the yellow room.

Lea

Talin

We are planning a trip to Smartkids Tran Ngoc Dien in March! We are very excited to play in their soft play room and meet lots of new friends.

Christmas!

Santa visited the Yellow group for Christmas! Everyone had a lovely time opening their presents and eating yummy food with their mummies and daddies. We also got to decorate our own Christmas tree, make snowmen, and fingerprint lights.

Happy Lunar New Year!

Welcome to the year of the dragon! The Yellow group together with the green group celebrated Tet with their home-made dragon! We learned how to dance like a dragon and play the drums! For lunch we ate Vietnamese spring rolls made by the kitchen staff and received lucky money coins for the New Year!

Yellow Group Friends

We have celebrated three birthdays recently. Tara, Momo, and Maya all turned 3. Etienne, Lea and Cecilia all turned 2! We had a great time celebrating at Smartkids with all our friends. We have been learning how to make new friends and how to say goodbye. Pepper went to the blue room to be with the big kids.
