

SmartKids Street 10 talk

By Chloe Aubert
Location Manager SmartKids Street 10

Year 8, Issue 1

Dear Parents,

It has been an amazing start to the year! Busy but our effort have been fruitful as we have welcomed your children back and successfully supported them into re-settling into the SmartKids' routine as well as welcoming new children in our Kiddies Yellow and Green groups (18 months - 3.5 years old).

This summer we kept busy at SmartKids Street 10 as we hosted 5 weeks of summer camp with a fun and exciting topic each week! It has provided continuity for the children who were able to join us - as they were still in an environment providing the same routine as in their class; it has helped them grow in maturity - as they had to adapt to a different teaching team than usual; they were learning new things through fun and creative activities and it has made the re-settling in process smoother once the school year started.

Join us for the summer 2016!

We are looking forward to this new school year, to continue seeing your children grow and supporting them where they need.

AFTER-SCHOOL ACTIVITIES IN ENGLISH & VIETNAMESE

We have fun sessions every Monday in Vietnamese and every Thursday in English (15:15 to 16:45) with activities such as Kids Yoga, cooking, music & dance, arts & crafts, obstacle courses, and many more!

PARENT-TEACHER MEETINGS

Our 1st session of Parent/Teacher meetings of the year will be from November 23rd to 27th. The teachers will update you on your child's progress in the past months and tell you where and how we are supporting your child at SmartKids. They will also answer questions you may have. Make sure you sign up once the sign up sheet is on your child's classroom door.

Please note that your child is not allowed in the meeting nor in the premises during your meeting; therefore please make sure they go home before the time of the meeting! Thank you!

SmartKids turned 9!!!

PARENT-CHILD GROUP

Children from 1-3 years old come together with their mom & dad for fun and stimulating activities, interactions with peers and a great introduction to school!

Feel free to join us if you have a younger child who isn't old enough to go to school or tell your friends as it is open to everyone!

SMARTKIDS' BIRTHDAY!!!

On October 2nd, SmartKids turned 9 years old!!! All the children from Street 10 cooperated to prepare a surprise for Ms. Yoko - SmartKids' General Director - and we had a big celebration to surprise her! We also took class pictures and enjoyed a treat for snack! It is so nice to see all the children and teachers work together on projects where they can gather their skills and abilities to make something beautiful together!
