

JUNE 2013

# Blue Group News

Khang and Pranav enjoy the sensory experience of Henna.

## Here we are, Having fun!

We've had a great term in Blue Group!

Bastian, Khang, Pranav and Sebby have thrown themselves full-swing into Big Kids and are getting ready for the changes ahead!

There's been lots of laughter as the boys

Over the term, through small group play in the Blue Group and large group social time in our trips to Thao Dien Red Group, the boys have really developed their social skills, independence and responsibility.

Sebby and Bastian share the joke of our pretend Christmas party in May!

### INSIDE THIS ISSUE:

- Having fun! 1
- Machines 1
- Pollution 2
- Weather 2
- Changes 2
- Bye, Bye Ms Kasia 2

## Machines

Learning about machines outside; and the computer, printers, shredder and photocopier downstairs.

The boys have loved experimenting with electricity, finding out how things work and exploring their environment to see what machines we use everyday.

They notice the air conditioners, fans and CD player in the classroom; the car and bike engines

Khang twists the wires for our machine

Sebby and Pranav work hard together to fix the engine of the car.

Bastian practises his fine motor skills using sticky tape for the cogs

# Keeping the Earth Happy

After learning about machines, we learnt how these machines can actually make our earth feel really sick! Pollution is not good for us, the animals or our planet.

Pranav, Bastian and Sebby hold hands with Quynh Nhi from Street 10, to keep safe on our walk.

What did you find Sebby?

So we decided to clean up our planet.

litter we could see on the street and in the bushes.

We took a trip to SmartKids Street 10 and picked up

We wore funny gloves to keep our hands clean and safe!

Hooray for us!  
We helped the earth be clean and looked after the animals

## Weather

We made an umbrella ourselves out of a bin bag, hula hoop and the pole from the dustpan. We were so surprised when it worked! The guard (Mr Giau) squirted the hose at us and we came out completely dry!

"Jingle bells, jingle bells!"

Khang stands under the umbrella while we watch to see if he stays dry!

Then we made snowy mountains with shaving foam and glue! It was funny to talk about snow when it was so hot so we pretended it was Christmas!

## Our Changing World

As we approach the end of term, we are thinking about what is coming next! At the end of term we will have to say goodbye to some friends and get ready to welcome some new ones in August. Sebby will leave the Blue Group because he's off on a new adventure to Malaysia!

I will say Goodbye for now, as I head over to Street 10. But the Blue Group will welcome new friends and Ms Viviane as their teacher in the new

year! What a wonderful year we've had!

Have a fantastic summer!

*It's been a wonderful term and I have had such a great time in the Blue Group.*

*It has been a real privilege to watch the children grow and learn. I wish you all the best for the coming year and hope to see you all again!*

Kind Regards,  
Ms Kasia
