OUR VISION

For children a childcare centre is a place:

- To meet other children
- To get to know each other
- To play together
- To experience new things together
- To learn to respect others

It is a place to socialize and to enjoy experiences that are different from those at home.

OUR FOCUS

SmartKids focusses on "learning through play". SmartKids offers a positive, child centered, safe environment in which young children can develop and explore.

THREE DIFFERENT GROUPS

We provide flexible full-time and part-time childcare programs for children from 18 months to 6 years old.
