YELLOW GROUP

So much has happened since our last newsletter!

In February we talked about Vietnam and celebrated the Lunar New Year with Dragon and Lion Dance Performances. We then talked about the rest of the countries where we are all from. We played games such as 'patintero' from the Philippines, 'ice hockey' from Canada and did our own 'Tour de France'. We made various objects from different countries such as necklace and rain sticks from Nigeria, clogs from the

Netherlands, crowns and torches from the USA's Statue of Liberty, Alpine hats from Germany and traditional fan and barrel drum from Korea. We also made crafts such as temples from Israel, mandalas from India, double decker buses from England and a lot more!

We also talked about Easter; we made birds and nests, we decorated and painted eggs and had an easter egg hunt which was so much fun!

Towards the end of the second term, we have seen a lot of improvement from all

the children. We see children become more mature physically and emotionally, becoming more confident and independent, connecting more to their environment and with their peers.

Over time, we have seen children become more involved, out-going and engaged in most of the activities.

For the last few weeks, we will move on to "Our Fantastic Future" in which we will talk about the Earth; looking at the different landscapes and learning to respect and take care of the earth. We will do activities that will lead to environmental awareness such as a nature walk, recycling and growing seeds/plants. Towards the end of the year, we will also talk about the changes for the next school year; preparing children that will move to Big Kids and talking about children who will move to a different school/country.

We have welcomed Keira and Mireya this term!

A young child with dark hair, wearing a brown patterned kurta and yellow dhoti, is holding a small Indian flag (Tiranga) in their hands. The child is standing on a blue mat.
