

# Summer Program

## Book Worms 19-23 June

Learning how to handle books properly.  
Looking at a book from the beginning to the end and being able to follow a story.  
Enjoying reading different books of our choice and maybe even making a book of our own!!

## Music & Movement 26-30 June

Using our listening skills to listen to different types of music and tempos. Learning the names of various instruments and how to use them.  
Also, using our physical skills to move to the beat!!

## On the Go 3-7 July

How do we get from one place to the other?  
We will use books, songs and engaging activities to learn the different modes of transport on Air, Land and Sea.

## Sports & Games 10-14 July

We will focus on team work, social interaction, gross motor skills and spatial awareness by playing various games & learning different sports!
